Transforming Light, Elevating Spaces

ABOUT US

"Established in 1985, **Shalfeyo** has been a pioneer in manufacturing translucent stone veneer for three generations. With a rich legacy spanning since 1985, our family- owned business has been committed to delivering unparalleled quality and craftsmanship in every piece. We take pride in our heritage and expertise, combining traditional craftsmanship with modern innovation to create stunning translucent stone veneer products that adorn homes and commercial spaces worldwide. As a trusted industry leader, we continue to uphold our legacy of excellence, offering timeless elegance and superior performance in every slab."

Natural Aesthetic:

Translucent stone veneer offers a natural and elegant aesthetic, enhancing the beauty of any space with its unique patterns and textures.

Light Transmission:

Its translucent properties allow light to pass through, creating a warm and inviting ambiance while maintaining privacy.

Versatility:

Translucent stone veneer can be used in various applications such as wall cladding, countertops, and decorative panels, adding versatility to design options.

Durability:

Despite its delicate appearance, translucent stone veneer is durable and long-lasting, making it suitable for interior use.

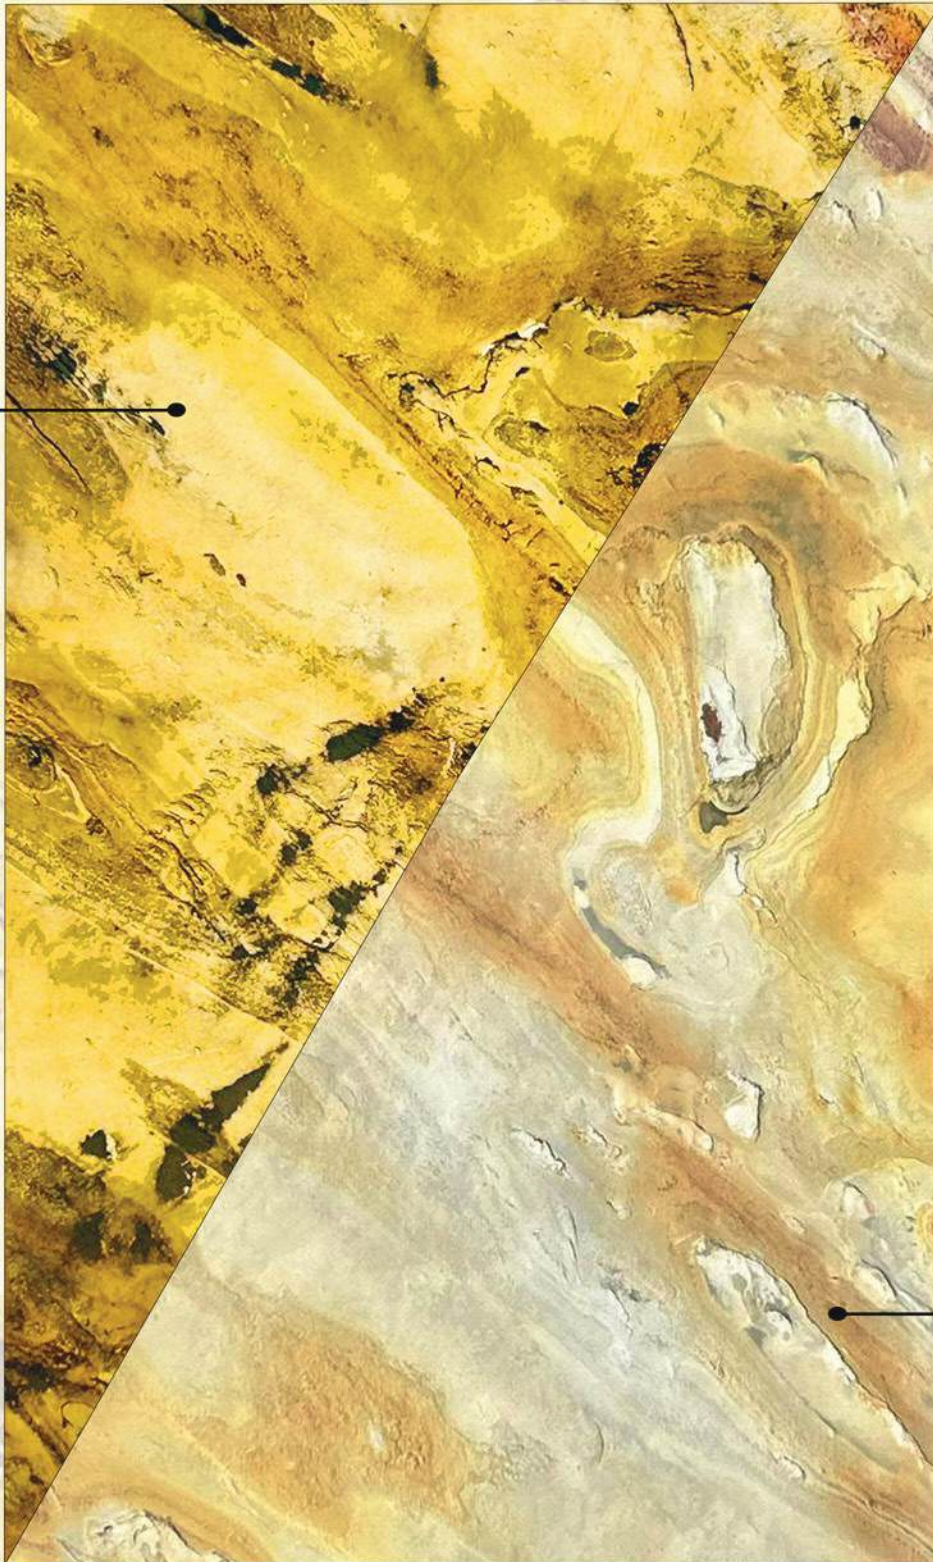

Customization:

With a wide range of colors, patterns, and thicknesses available, translucent stone veneer can be customized to suit specific design requirements and preferences.
